

# COMPLETE DISPERSION OF THE ROUND GROVE HERD

See page 28 for the identity of these cattle.

OF UTMOST IMPORTANCE TO  
EVERY  
POLLED SHORTHORN BREEDER

Sept. 20, 1958

Where can you find better specimens of the Polled Shorthorn breed than the daughters of Royfield's Leader x? These five sold for an average of \$1,107 and were purchased by critical breeders from five different states. Royfield's Leader x will sell in this complete dispersion along with 28 mature daughters, 6 mature sons and 12 nursing calves.

## GENERAL SALE INFORMATION

**Time:** Sale will start promptly at 12:00 Noon, Eastern Standard Time, Saturday, September 20, 1958. Lunch will be served starting at 11:00 a.m. by a church auxiliary.

**Location:** Round Grove Farm is easy to reach from any direction. It is located close to the Indiana-Illinois line, four miles west of West Lebanon, Indiana, on Route 28, then  $\frac{1}{2}$  mile north. The farm is 15 miles northeast of Danville, Illinois. From Danville, take Route 1 eleven miles north. Turn east on Illinois 119 — Indiana 28 four miles, then  $\frac{1}{2}$  mile north.

**Transportation:** Those coming by train or plane should route themselves to Danville, Illinois. For those traveling by air, Danville is served by Ozark Airline and Lake Central Airline. Train travelers may come from the east or west via the main line of the Wabash Railroad, and from north or south via the main line of the C. & E. I. Railroad. Danville is served by bus lines from all directions. We will be glad to meet trains or planes if advance notice is given.

**Sale Headquarters:** Hotel Wolford, Danville, Illinois. There are many fine motels in the Danville area as well as in the vicinity of Attica and Covington, Indiana, all within easy driving distance of the farm. Why not let us make your reservations? Simply call or write Hal Longley, Sale Manager, 16 South Locust St., Aurora, Illinois, (Phone Aurora 6-8511) or C. Henry Baum, Jr., West Lebanon, Indiana (Phone Twin Oaks 3-4549). Let us know the number of people in your party and the kind of accommodations you want — we will do the rest.

**Auctioneers:** C. D. Swaffar and Don Smock.

**Mail Bids:** If you cannot attend this sale you should consider seriously sending a bid to any of the representatives listed below. Such bids will be honestly and capably handled and your instructions carried out to the letter. Last minute messages will reach them at the farm telephone.

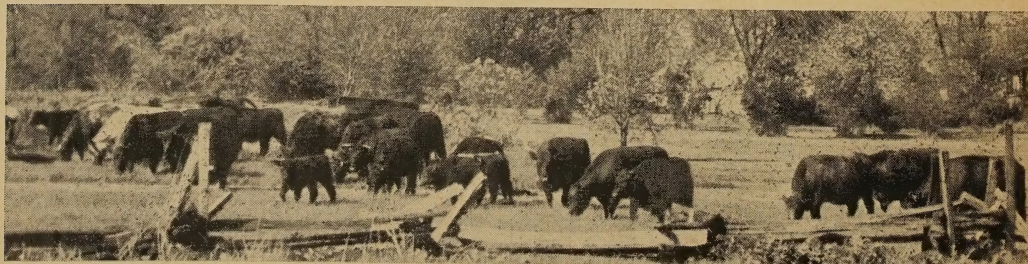

**Hal Longley**, The Shorthorn World, 16 So. Locust St., Aurora, Ill. (Ph. Aurora 6-8511).

**H. W. Walker**, Eastern Representative, The Shorthorn World, 3906 East 71st St., Indianapolis, Indiana (Phone Clifford 1-2986).

**E. M. Huff**, Eastern Representative, American Shorthorn Assn., Culpeper, Virginia.

**Farm Telephone:** Twin Oaks 3-4549 (through West Lebanon, Indiana).

Polled Shorthorns such as these are responsible for the descriptive phrase, "the breed with the brightest future." It's a scene on Round Grove Farm.

*We hope you will  
join us at Round  
Grove Farm on  
September 20th ...*

Owners of the Round Grove Herd and your  
hosts for September 20th, Mr. and Mrs. C.  
Henry Baum, Jr.

Life has its disappointments as well as its pleasures, and both must be accepted gracefully. Though we regret to see this herd dispersed, there is still much for which we can be thankful. Owning a herd of quality Polled Shorthorns has been a great satisfaction, and we have enjoyed the close association with the fine people who breed these cattle.

During last year's International, I was in the hospital wondering whether I would be able to keep on farming. The operation on my back was considered successful, but I was released with strict orders to take it easy. This has called for a complete reorganization of our farm operation to permit remaining on the farm at all.

Although our herd is at the peak of its production and the outlook for cattle has never been better, we have no choice but to sell the cattle. We sincerely hope that our misfortune will work out to the advantage of our good friends in the Polled Shorthorn business who now have the opportunity to buy animals that we never expected to sell.

Helen has enjoyed her work with the Shorthorn Lassies because she believes that women can and should take an active part in breed activities. As you all know, this breeding business gets in one's blood, and we expect our interest in the progress of the breed to continue unabated.

My great-great grandfather was a pioneer Shorthorn breeder when he homesteaded on this land in the early 1800's. Now our older boy, Philip, in his first year of 4-H Club work, has a Polled Shorthorn heifer. This could be the start of his own herd. As the boys grow older, we hope that they can again work for the tradition of better Polled Shorthorns at Round Grove Farm.

Naturally we are hoping for a good sale, but we are just as interested in seeing that the carefully selected members of our permanent breeding herd fall into the hands of cattlemen who will appreciate them and use them properly. Wherever they go, we are certain they will work improvement.

— C. HENRY BAUM, JR.

# Terms... Conditions... Guarantee...

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury. Cattle purchased in this sale may remain at Round Grove until convenient for buyers to receive them.
3. The Round Grove Herd has been maintained under conditions that insure the proper development and good health of each animal. Located in a T. B. Accredited Area, there has never been a T. B. reactor or suspect. Tests for Bang's Disease have been conducted regularly. To comply with Indiana regulations, all animals included in this dispersion will have passed clean tests for Bang's Disease and Tuberculosis within 30 days of the date of the sale. Health certificates approved by the Indiana State Veterinarian will be supplied.
4. A certificate of registry and transfer will be furnished for all animals and properly signed applications will be furnished for the registry of all unborn calves.
5. The Round Grove Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.
6. Nearly every cow in the herd has a calf at foot or shows every evidence of being in calf. A final examination for pregnancy will be made by Dr. R. K. Shideler of Danville, Illinois, 12 days prior to the sale and the results of these examinations will be printed and handed to each prospective buyer on sale day. Since states differ on health regulations, all buyers must be aware of the regulations in their own state.
7. As this is a dispersion sale, no guarantee will be given except in the cases of the two herd bulls that are presently in service, namely, Royfield's Leader x (Lot 1) and Leveledale Corrector (Lot 2). The owner will guarantee the above named bulls to be breeders if they are maintained in as good condition as when purchased. In case they fail to prove breeders, notice must be given within six months of the date of this auction sale. The purchase price, without interest, will be refunded in case the above named bulls fail to meet the guarantee and the disposal of these animals will be at the option of the seller.
8. Announcements from the auction block will take precedence over matter printed in this catalog. Footnotes appearing in this catalog were prepared by the owner.
9. The above terms and guarantee shall constitute a contract between C. Henry Baum, Jr. and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, nor any other person has authority to alter the terms of that contract nor do any of them assume any liability, legal or otherwise.
10. Although every effort will be made to protect the safety and comfort of those attending, the owner, sale manager, clerk or auctioneer cannot be responsible for accidents that may occur. Every person attending must assume the risk of injury to himself. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors on the health charts.

This dispersion will include cattle that would never be available under other circumstances. Here are a few of them.

## *Buying opportunities . . . the kind that are found only in dispersions !*

Although we all regret the circumstances that make this sale necessary, the distribution of such a large number of outstanding cattle is certain to benefit the breed. Polled Shorthorns are on the march **everywhere** — in all sections of North America and in foreign countries — and the members of this herd are the kind that can go **everywhere** with assurance of breed improvement.

The Round Grove Herd is young enough to be considered modern in every respect, yet mature enough to have reached its peak of efficiency. In establishing it, the owners had the means, the knowledge and the desire to include only the best in individuality and pedigree. The choicest heifers from each year's crop have gone back into the herd to insure its strength, new lines of improving blood have been infused, until today's Round Grove Herd may be included in any reference to the top collections in Polled Shorthorn history.

The record of Royfield's Leader x is too well known to need extended comment. He came to Round Grove Farm in 1950 after winning grand championship at the National Polled Shorthorn Congress. Ninety-five of his calves have been sold for breeding purposes for a total of \$48,288 and all have done well for their owners. This famous stock bull will sell in this sale along with 47 more of his sons and daughters and they are among the best he has ever sired. To insure further herd improvement and to take advantage of the strongest blood of the Shorthorn breed, Leveldale Corrector was purchased from Mathers Bros. in 1954. His calves are excellent and, through them, buyers will have an opportunity to acquire in polled form the blood of the famous International grand champion Leveldale Basis.

No breed has enough Henry Baums — men who have the character to instill confidence and the vision to plan carefully and build well. Today's Round Grove Herd is a great tribute to his ability. There are regrets when herds of such stature are dispersed, yet scores of breeders will benefit. This is a sale for those who know and appreciate the better kind and who recognize the opportunities that lie ahead.

Docility and easy-keeping ability are directly related. Round Grove Polled Shorthorns are famous for both. Here they are at rest after a day of showing.

**Please Note:** Martin D. Schwartz, Muncie, Ind., purchased four of the best Round Grove females over the years and has left them in our care. This group has now increased to 10 head. All are to be included in this complete dispersion.

Most of the pictures in this catalog are unretouched snapshots. If you like them as they are pictured, you will like them even better when you see them.

Emery (Slim) Rasmussen was with us during the early years of this herd. He played an important part in building up the herd and establishing a show ring record for Round Grove. His sunny disposition, hard work, honesty, and knowledge of Polled Shorthorns have won him many friends in the industry. He is now in partnership with C. E. McCoy at Romney, Ind., and we wish them all the luck in the world with their growing herd of Polled Shorthorns.

**Note the beautiful heads displayed by the daughters of Royfield's Leader x. They are tops in the herds into which they have gone. Here are a few of them:**

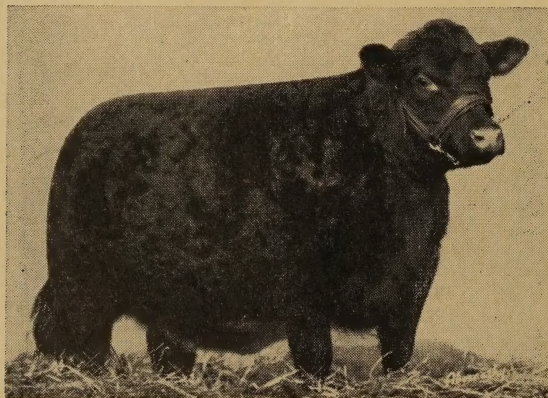

Round Grove Jenny Lind x by Royfield's Leader x, first prize heifer at the 1954 Polled Shorthorn Congress. She was bought at \$1,000 by Avenel Farms, Bethesda, Maryland.

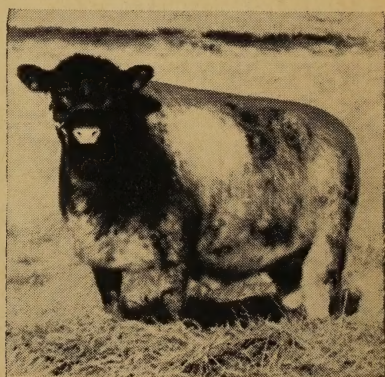

R G Leader's Rosewood 2nd x, typical of the thickness and balance of Royfield's Leader x daughters. Bought by E. W. Pickett, Mt. Airy, Maryland.

R G Royal Augusta x by Royfield's Leader x. At \$2,000 she was the top female at the 1952 International Polled Shorthorn Sale selling to Archwood Farms, The Plains, Virginia.

R G Leader's Rosewood, reserve champion female 1953 Indiana State Sale. Sired by Royfield's Leader and bred by C. Henry Baum, Jr. Purchased at \$700 by Creekland Farms, Clinton, South Carolina.

Round Grove Jealousy x, another grand headed daughter of Royfield's Leader x. She is in the herd of J. W. Shouse & Sons, Centerville, Tenn.

The beautiful daughters of Royfield's Leader x are shown on this page in natural surroundings at Round Grove Farm. Certain to do well for their new owners because they are grown under ideal conditions for health and proper development. 47 sons and daughters of Royfield's Leader x will sell in this dispersion.

Royfield's Leader x. We have other formal pictures of this famous sire but we prefer to show this unposed, unretouched snapshot. Why? Because it shows him exactly as he is — a truly great Polled Shorthorn bull in his natural form. This 1950 Congress champion will sell in this dispersion along with 47 sons and daughters.

Left: This photo, taken several years ago, shows Royfield's Leader in posed form. Note the balance, smoothness of flesh and great head. These are characteristics that he has passed on to every calf. He was grand champion of the 1950 Polled Shorthorn Congress and sire of the 1952 International sale top female at \$2,000 and the best pair of yearlings at the 1953 National Polled Shorthorn Congress.

The record of Royfield's Leader x has few equals in Polled Shorthorn history. Up to the present date, 95 sons and daughters have sold for breeding purposes for a total of \$48,288, averaging \$508. 28 more daughters that were retained for the breeding herd, 7 serviceable age sons and approximately 12 nursing calves will sell in this dispersion. Sons and daughters have been purchased by discriminating buyers in 20 states and two provinces of Canada. In the Indiana Gold Medal project, Royfield's Leader x calves have always exceeded the required minimum average daily gains (of 2 lbs. for bulls and 1½ lbs. for heifers) weighing out as high as 2.94 lbs. per day from birth. In this project sires are rated according to show placings of their calves. Royfield's Leader x was high scoring Gold Medal Polled Shorthorn bull in 1953, second high in 1956, and third high in 1954 and 1955.

**Royfield's Leader x** — Grand champion bull 1950 National Polled Shorthorn Congress at Sioux Falls, South Dakota. At 9 years of age he is active, sure and in perfect form. He will sell in this dispersion guaranteed to be a breeder. Here are the high spots of his pedigree:

GOSSHALL XIMENES, top selling bull, 1942 International Shorthorn Sale at \$5,700, highest price in two decades. Sired by COLDOCH UNION JACK, Supreme Champion at Perth, Scotland in 1932.

OAKWOOD LEADER X, has sired many champions and top selling cattle for the Teegardins. In 1952 his get included the highest priced female (OAKWOOD GOOD FORTUNE 2d at \$4,600) in the history of the Polled Shorthorn breed, as well as the dam of the International Grand Champion Bull.

LADY GOLDEN 5th X, also the dam of COMMANDER IN CHIEF X, Teegardin's other top producing bull, whose get along with that of OAKWOOD LEADER X won over half of the championships and first prizes in show circuits in the past three years. LADY GOLDEN 5th was sired by CEREMONIOUS REFEREE X, whose sire was the International Champion LEE DALE COLLYNIE X.

OAKWOOD MYRTLE X, half sister to OAKWOOD MYRTLE 4th, 1952 International Senior Champion, 1950 International first prize Senior Heifer Calf, and member of first prize pair of females at 1950, 1951, and 1952 Internationals.

STOWAN MYRTLE, sired by Edelyn Graduate, by Calrossie Graduate, who was a son of Perth Champion CALROSSIE CONTROL.

OAKWOOD CROWN COMMAND, sold for export to Australia at \$4,500. This bull sired by CORONET COMMAND X, the 1941 International Champion.

Here are two views of Leveldale Corrector. Above he is shown when we bought him at the second high figure of the 1954 Mathers Bros. sale. He is shown at the left in his present day form at Round Grove Farm. We bought this famous son of the International grand champion Leveldale Basis in order to infuse into Round Grove Polled Shorthorns the marvelous beef bonus potential of this line. The calves, yearlings and two-year-olds you will see by him on sale day provide evidence that this blood will do much for Polled Shorthorns.

**Leveldale Corrector** — After searching through both the United States and Canada, we chose Leveldale Corrector to infuse into our polled cattle the best of Shorthorn blood. Great cows and sires saturate his pedigree. He is by the \$35,000 Leveldale Basis whose record as a show bull and as a sire of champions and first prize winners is unequaled in the history of the breed. In describing Leveldale Basis, Les Mathers says, "His get are uniform in character, quality of hair and flesh, have size and have the ability to grow pounds and still be of show type — a rare and valuable asset."

Leveldale Corrector's dam, Augusta Cassie 2d, shown one year before she died in calving, was undefeated in class and won several grand championships. Her half sister, out of the same grand old Augusta Cassie cow, mated to Leveldale Basis produced Leveldale Capitol, the popular young champion which sold at \$7,000 in the 1956 sale. Thus a three-quarter brother to Leveldale Corrector again brought the second high price in a Mathers sale.

In three crops of calves by this splendid Shorthorn bull used on Polled Shorthorn cows, only six have come with horns.

Finding the right bull to follow Royfield's Leader x with his impressive record as a breed improver is a real accomplishment. We feel that the calves in this sale prove our confidence in Leveldale Corrector is justified.

The first daughter offered for sale won her class at the 1957 National Polled Shorthorn Congress and was purchased by Home Again Farm, Franklin, Va. The 27 bulls and females selling in this sale sired by this outstanding son of \$35,000 Leveldale Basis fulfill the great expectations we had when we paid the second highest price of the 1954 Mathers Sale to obtain him. Leveldale Corrector will sell in this dispersion and is guaranteed to be a breeder.

This picture shows the thickness and good type of the bulls to be offered in this dispersion. The bull at the left in the picture is Round Grove Bulwark x, Lot 3. The other two bulls, Round Grove Guide x and Round Grove Leader 74th x, have been sold.

**Round Grove Bulwark x** — Deep bodied, level and smooth with a good polled head and plenty of bone, here is a Leveldale Corrector bull out of a good daughter of Royfield's Leader x. Both the dam, lot 39, and the grand-dam, lot 38, sell in this sale. They are descended from the Fassifern Butterflies with an infusion of Collynie Compact x.

Round Grove Leader 71st x on the right, by Royfield's Leader x, will sell as Lot 4. He is out of Carona Mina 22nd x, a good daughter of Cherry Hill Royal Oak x, that sells as Lot 27. Round Grove Corsair x, on the left, a very good son of Leveldale Corrector, is the service sire of Lot 36. Although this latter bull has been sold, his dam, R G Princess Jenny 3rd x, will sell as Lot 31.

**Round Grove Rampart 2d x** — This heavy boned, thick, deep and smooth roan bull by Leveldale Corrector has been the choice of several commercial cattle feeders. According to Will Erwin, Bourbon, Indiana who was voted outstanding young farmer of the year by the national Junior Chamber of Commerce and is a top feeder of steers, this bull has the substance and quality needed for choice beef production. He is a much better bull than his picture would indicate and several heifers have been bred to him. His dam sells as lot 58.

**Round Grove Leader 80th x** — A rich red calf with a good coat of hair, deep bodied, smooth and straight in his lines, here again is the successful result of the Cherry Hill Royal Oak x — Royfield's Leader x cross. Note that the dam, lot 19, is practically a three quarter sister to Carona Fascination x, whose get have been making history in recent years.

Fred Warby, Queensland, Australia, and Emery Rasmussen, herdsman for Round Grove Farm, West Lebanon, Indiana, look over some of the good Polled Shorthorn females in the Round Grove herd.

Round Grove Polled Shorthorns are developed under conditions that insure their good health and future usefulness.

### *About the females in this sale . . .*

In establishing this herd, we studied before we bought. As a result, we were in position to select females of outstanding individuality that were members of families backed by enviable records for prolificacy. A study of this catalog will reveal the success of these original foundation families. The females in this sale are cataloged by families and the footnotes are complete.

### *Other facts of importance to prospective buyers . . .*

The Round Grove Herd was established in 1950. In 1951 we sent our first consignment to the National Polled Shorthorn Congress. We had a first prize winner that year and have had first prize winners every year we have consigned since then.

★ ★

A large number of calves, most of them by Royfield's Leader x and Leveldale Corrector, are included in this sale. Those calved before March 1, 1958, are cataloged as separate lots. Many others are cataloged with their dams and the ages, colors and sex are given in footnotes. Most of these will go free with their dams although we will split some of them to sell separately when requests are made.

★ ★

Junior club members will find excellent buying opportunities among the many 1958 calves in this sale. If a calf you like is listed with its dam, we will try to accommodate you by selling it separately.

★ ★

Note that the neck chain numbers of most of the cattle are printed in this catalog. This is for the benefit of those who want to inspect the cattle ahead of sale day. We urge you to visit the farm and make such an inspection. You will be happy with what you find.

★ ★

All mature females in this sale will be examined for pregnancy 12 days ahead of the sale and the findings will be made public. A breeding sheet will be printed and handed out on sale day.

★ ★

James Woods has been taking excellent care of the herd and we wish to acknowledge his loyalty and fine work.

**Round Grove Jealousy M** — The dam, Millhills Jealousy 13th selling as Lot 13, was one of the rarely available top Scotch females imported by Ben W. Franklin, Kingston, Ontario. We purchased her at his Birmingham Farms sale bred to Cruggleton Banker, son of the Perth champion, Cruggleton Account, also sire of the 1953 Perth reserve champion bull. This distinctive young horned cow, the result of that mating, certainly merits attention. She has produced two very good polled heifers by Royfield's Leader x; her 1956 calf lost with pneumonia, and her 1957 calf selling as lot 16. She was rebred to Royfield's Leader x Dec. 11, 1957 and is due to calve Sept. 19.

**Carona Spicy 5th x** — One of the foundation females selected in establishing the herd of Mr. and Mrs. Martin D. Schwartz. Note that the dam is a full sister to Cherry Hill Spicy x, an International grand champion female by Collynie Compact x. A full brother to Carona Spicy 5th was second prize bull at the Montgomery, Alabama Congress and sold to John E. Lee, Dancy, Alabama, for \$1,050. Her 1955 heifer, retained for the breeding herd, sells as lot 18 with calf at foot. Her 1956 bull is heading the herd of Merle B. Smith, Red Top Farm, New Market, Indiana. Her 1957 thick, short legged red bull sells as lot 10, and she has by side another shapely red heifer sired by Royfield's Leader x, calved July 25, 1958. Pre-tested clean and Bangs vaccinated.

The above picture provides an example of the choice animals from the herd of Mr. and Mrs. Martin D. Schwartz that are to be included in this sale. The bull on the left is Round Grove Special 2nd x, Lot 10. He is out of the great cow Carona Spicy 5th x that sells as Lot 17. At the extreme right of the picture is Round Grove Spicy x, Lot 18, and her roan bull calf also appears in this picture.

**Round Grove Belle x** — A daughter of lot 19, one of the well known Carona Belles. By Carona Direct x, she carries a double infusion of Cherry Hill Royal Oak x. One of the best calves in the sale is the result of her mating with Royfield's Leader x, an April 7, 1958 red bull which sells by side. This is the same combination of bloodlines which has produced headliners such as \$2,000 top females at both an International sale and an Oakwood Customers Sale, and second high bull at an Illinois State Sale. Will be re-bred to Royfield's Leader x. Pre-tested clean and Bangs vaccinated.

### *The Famous Round Grove Mina Family*

The next six animals whose pedigrees appear in this catalog are all members of the famous Round Grove Mina family. They are shown together in the above picture and this same picture also appears on the front cover of this catalog. From left to right: Round Grove Mina, first daughter of the great foundation cow Blue Ridge Mina 8th next in line, has been lost since this picture was made. She is the dam of the third cow, Round Grove Mina A 3rd. The three cows on the right, all daughters of Blue Ridge Mina 8th and sired by Royfield's Leader x, are Round Grove Mina 5th x (whose heifer calf by Leveldale Corrector is next to far right), Round Grove Mina 4th x, and Round Grove Mina 6th x. The bull calf in front, sired by Royfield's Leader x, sells at foot with Blue Ridge Mina 8th. The three young cows on the right are full sisters to the 1958 Illinois State Sale champion female which went to Lynnwood, as well as the \$2,000 top Oakwood consignment at the 1952 L & L sale.

The young stock in this sale represent the uniform quality which should be the objective of an efficient breeding program. They have been fed as a group with ordinary farm feed and are in strong breeding condition ready to go ahead. One of our pleasures in the purebred business has been the comment of our customers that animals purchased from us have continued to develop and improve.

**Carona Mina 22d x** — Another of the thick, deep bodied daughters of Cherry Hill Royal Oak x which nick so well with Royfield's Leader x. The four Carona Minas in the Carona dispersion averaged \$888, including the second high female at \$1,775. Calves from Carona Mina 22d x by Royfield's Leader x have all been top quality — good heads, smooth thickness, deep heavy quarters, and short legs with good bone. Her 1955 bull is an outstanding herd sire for Willis Schenck, Waynetown, Indiana. Her 1956 bull has been used in our herd and is a service sire in this sale. He was purchased at the 1958 Illinois State Sale by Stephen F. Turner, Son & Daughter, Canton, Missouri at \$560. She had another striking bull in 1957 which sells at lot 4. Her April 1, 1958 red heifer by Royfield's Leader x, which could be one of the best calves in the sale, sells at foot. Pre-tested clean and Bangs vaccinated.

**Carona Jeanette 3d** — The fountainhead of the Princess Jennys who have helped make Round Grove well known for good cattle, three of her daughters having sold at Oakwood Customers Sales at \$2,000 to Oakwood Stock Farm, Asheville, Ohio, \$1,500 to Martin D. Schwartz, Muncie, Indiana, and \$760 to D. J. O'Connor, Jr., Tulleevin Farms, Franklin, Ohio. This great cow is also the dam of Round Grove Leader 54th x purchased by Frank Maltsberger, Maysville, Missouri at \$750, second high price for a bull at the 1957 Illinois fall sale. Her calves sold have brought a total of \$5,010, averaging \$1,252.50. Three daughters, two granddaughters and their calves sell in this sale. She now has at foot a beautiful red heifer calf born August 4, 1958 and sired by Royfield's Leader x. Truly a great foundation cow! Pre-tested clean and Bangs vaccinated.

**R G Princess Jenny A 2d** — By Leveldale Corrector out of a Royfield's Leader x daughter, lot 29, one of the renowned Princess Jennys. The fact that this nice roan heifer carries quite a bit of good horned breeding adds a bonus of beef quality to make up for the fact that she had loose horns which have been removed. Sells open in good breeding condition.

**R G Princess Jenny 3d x** — Martin D. Schwartz purchased this choice daughter of Carona Jeanette 3d (lot 28) at the \$1,500 second high price of the 1954 Oakwood Customers Sale. The top price in this sale, \$2,000, was paid for her full sister a year older. As part of the Schwartz herd under our care she has had two calves by Leveldale Corrector. The first was a very good headed red heifer with thickness and depth, but was lost in calving. Her Dec. 8, 1956 red bull, one of the best bulls raised at Round Grove Farm, is pictured on page 15. Sells rebred to Leveldale Corrector. Pre-tested clean and Bangs vaccinated.

**R G Princess Jenny C** — Another of the famous Princess Jenny family with Cherry Hill Royal Oak x, Royfield's Leader x, and Leveldale Corrector backing up her breeding potential. One of the few horned calves by Corrector, but she is good enough to make up for being de-horned. Heifers of this calibre were intended for herd replacement and have never been pushed. **Rosalie 13th** — One of our good horned cows who always has a handsome polled calf by 100% de-horner Royfield's Leader x. Her pedigree goes back to Calrossie Control, and according to Gordon Blackstock of the Bapton Herd the Cluny Paulines are one of Scotland's best families. Daughters of this broody headed cow have gone into the herds of W. E. Kruckeberg, St. Paul, Minnesota and WRW Stock Farm, Franklin, Indiana. She sells with a June 21, 1958 solid red, soggy, level lined bull calf at foot sired by Royfield's Leader x and will be rebred.

**Round Grove Butterfly C x** — A nice, rich red open heifer by Leveldale Corrector. The dam, lot 38, is a Fassifern Butterfly by Collynie Compact x.

(Above): This is the trio we sold at the 1954 Congress at Ocala, Florida. The bull at the left was purchased by Winston Lawless, Winter Haven, Florida. The heifer in the center won first prize and sold to Avenel Farms, Bethesda, Maryland, at \$1,000. The heifer on the right was not of our own breeding.

(Right) Round Grove Leader 4th x. At \$1,185 he was one of the five top selling bulls of the 1953 Polled Shorthorn Congress. This son of Royfield's Leader x was purchased by Hudson Bros., Hubbell, Nebraska.

She is out of the same dam as Ceremonious Jenny 2d x, whose first two calves sold for a total of \$2,000. Her sire was twice an International first prize winner. Beef quality and fleshing ability is characteristic of this Jenny family, and they are regular producers. Ceremonious Jenny 6th had a good bodied roan heifer Aug. 6, 1957 which sells as lot 43. Her 1958 calf was lost in parturition, but she sells rebred to Leveldale Corrector. Pre-tested clean and Bangs vaccinated.

**Round Grove M Rosewood 2d** — As a calf this comely de-horned heifer was donated to the Parent Teachers Organization as a fund raising project for the school lunch program. She and her dam (lot 46) were exhibited at the county fair, creating a great deal of interest in Shorthorns and Polled Shorthorns as well as \$500 worth of tickets sold. Unfortunately the winner of the drawing, Fred Bonebrake, was principal of the local high school and had no way to care for the heifer, so we bought her back. She has made a very attractive addition to our herd. Her June 24, 1958 calf was lost at birth and the re-breeding date will be announced.

The cow at the far right is Nonpareil Rose x, reliable foundation cow selling as Lot 49, with her bull calf by Leveldale Corrector, the calf at the far left of the picture. The first cow on the left is her daughter, Round Grove Rosewood x selling as Lot 50 with her dark roan bull calf by Royfield's Leader x. The red cow in the center, Round Grove Rosewood 3rd x (Lot 51), and the red bull second from the right are also out of Round Grove Rosewood x (Lot 50) and sired by Royfield's Leader x. **Nonpareil Rose x** — Since we purchased her as the reserve champion female at the 1950 Northern Indiana sale, Nonpareil Rose x has produced a good calf every year. One bull calf, Round Grove Master x, was purchased at \$600 by Lawrence T. Allen, Jr., Danville, Ill., for use in a commercial herd where he made himself invaluable as a beef improver and de-horner. Another bull calf, Round Grove Master 2d x, stood second at the International and went to Bert Hanson, Vernon Center, Minnesota at \$500. Two daughters sell as lot 50 and lot 53, and she has a May 13, 1958 roan bull calf by Leveldale Corrector at foot.

Round Grove Rosewood 2nd, a daughter of Royfield's Leader x, that sold in the 1954 International Sale to Lynnwood Farm at \$700. She was a first prize winner at the Indiana State Fair. Her granddam, dam, a sister to her dam, and a sister and brother to this heifer all sell in this dispersion. It's a great family.

**Round Grove Rosewood N 2d x** — A first calf heifer, she has the breeding behind her to make a highly productive brood cow. This is the same Nonpareil Rose family that produced a \$10,000 Australian export bull for the Schuberts. Her May 8, 1958 bull calf by Leveldale Corrector sells at foot. It is red with white marks on its legs — discriminated against by some purebred breeders — but the calf is a real prospect for a club project. This cow is pre-tested clean and Bangs vaccinated.

**Alpine Queen of Beauty 11th x** — One of the famous Alpine Queen of Beauty's, low-set and thick. Her calves have averaged \$425 and she has produced a good one each of the six years that we have owned her. A daughter by Royfield's Leader x was an Illinois State Sale reserve champion and went into the herd of C. B. "Jack" Carignan, Edmonton, Alberta, Canada. She has at foot a roan bull calf born August 2, 1958 and sired by Round Grove Leader 61st x, he a full brother to Round Grove Leader 71st selling as lot 4.

Round Grove Leader 7th x, purchased by Leo Kietzman, Loda, Illinois, at \$700, where he has extended the influence of Royfield's Leader x as a breed improving sire. His dam sells as Lot 55 in this dispersion.

**Roseview Rosewood 2d x** — A cow of the right type and a production record that speaks for itself. Her first calf, a heifer, sold to Sunny Lodge Stock Farm, Northwood, Ontario, Canada. Her next calf did a good job as herd sire for Herbert Hunter, Williamsport, Indiana. The third calf, a steer, was champion Shorthorn at the Warren County Fair for Emery Rasmussen, Jr. Her 1955 heifer was retained in the herd but we were unfortunate in losing both the heifer and its first calf. The 1956 bull out of this cow sold in the Illinois State Sale to Barney De Rubeis, Toluca, Illinois. Her 1957 bull sired by Leveldale Corrector sells as lot 7 and is a service sire in this sale. In 1958 she had a good heifer, but it was a breech birth and lost in calving. Will be rebred to Leveldale Corrector. Pre-tested clean and Bangs vaccinated.

**Miss Radiant Marshal 3d x** — Like her three-quarter sister, Master's Mary x (lot 65), this cow is real foundation material from the standpoint of correct type, worthy pedigree, and high productivity. Among the eight calves dropped since 1951 is the Royfield's Leader x daughter which won her class and was in the first prize bull and female pair at the Hutchinson, Kansas Polled Congress, selling to Dr. Stoll, Pleasant Plains, Missouri at \$1,000. A son went to Maple Hughes, Lake Arthur, Louisiana at \$500. She had a very good roan bull by Royfield's Leader x May 1, 1957 which sells as lot 5. Her May 16, 1958 red bull calf by Royfield's Leader x sells at foot, and she will be re-bred.

**Round Grove Countess 2d x** — This beautiful red road heifer is very smooth, short legged and blocky. From her excellent polled head to her full deep hindquarters she is a prime example of the mating of Leveldale Corrector with good Polled cows like the dam, lot 77.

(Left) Birmingham Randolph 2nd x. We purchased this polled grandson of the noted Calrossie Highland Leader and had the misfortune to lose him before he sired any calves for us. It was our hope to infuse this strong imported blood into our Polled Shorthorns.

(Right) When photographer Abernathy visited our farm recently, he snapped this picture of Royfield's Leader x. Note the width and spread of rib. His calves excel in heads, fleshing, width, depth, scale and substance.

The members of the Indiana Polled Shorthorn Breeders Association enjoyed a picnic at Round Grove Farm in 1952 when this picture was taken.
